If improvements must be made, it is preferable that these be done before a studio visit is scheduled. If upon the studio visit repairs or modifications are deemed necessary, they must be made before the tour dates. Our goal is to ensure that studios are safe and present no or limited hazards for visitors during the tour.

All artists must be present in his/her studio throughout the two open studio days. Be prepared to welcome visitors and act in a friendly, professional manner.

The Success of the Saugerties Artist Tour is a collaborative effort.

Attend Meetings and Contribute Time:

Members must attend monthly meetings as often as possible, and work collaboratively. This includes taking on a share of the tasks that are required to make the Tour a success. For example: volunteers are needed for distributing maps, organizing gallery openings and window displays, assisting with grant writing, selling map ads and other activities. Each artist's unique talents are welcome.

Other Opportunities:

We are happy to offer a "seasoned" tour navigator to help and orient new members. All members are encouraged to participate in pre-tour exhibits, public displays such as "ArtSites in the Village" and the Tour's kick-off events.

General Information about the Saugerties Artist Studio Tour:

The Tour has become a key summer event in the town of Saugerties since 2002. The town government, the Kiwanis Club of Saugerties, the Saugerties Historical Society and many local businesses that value the presence of an artist community and its distinctive contributions, support the Tour.

Once Tour members have been chosen, we move ahead with fundraising, map preparation, print and radio advertising, publicity and production of quality videos for cable TV and the internet. In addition to the Tour weekend, each artist has a page on the tour's website (see the website for examples of an artist page), local galleries may host gallery exhibits and artists receptions showcasing the Tour artists. The driving force and the key to our success is the spirit of cooperation among the participants. We all have talents and abilities that we freely offer to make the Tour a rewarding and successful experience.

Most of the Tour's financial support comes from grants, advertising revenue from local businesses and member fees. The Saugerties Artists Studio Tour is a committee within the Saugerties Hudson River Partnerships, Inc., a 501(c)(3) not-for-profit organization.

The Tour does not include retail shops, stores or galleries. Galleries that exhibit Tour artist' work during the Tour season are the exception.

Artists are chosen for the Tour based on their unique creative voice and ability.
